Business and Cultural Norm Sponsorship - $10,000

A key to success in negotiating global trade and conducting tourist activities is understanding and being sensitive to business and cultural norms which vary by country. With presentation rights for the Business and Cultural Norms, sponsor will receive:

- Branded Business Norm video shown in school including sponsor spokesperson and logo as well as assisting in content creation and use
- Customized business norm worksheets for each country.

Student Workbook - $10,000

Along with a comprehensive program aligned to educational standards, turnkey program materials makes International Towne extremely well-received by teachers. Containing all lessons and activities, the workbook is used by students throughout the 20-lesson program. Sponsor’s logo will be placed on the front cover.

Send-a-School - $2,500

This important initiative provides scholarship funds for low-income schools to attend the International Towne. To be eligible for the program, schools must have 50% or more of their students qualified for the free and/or reduced lunch program, a Federal measure of poverty.

Sponsor Benefits

What our corporate sponsors appreciate most about our sponsorship program is the opportunity to have a fully branded experience with thousands of students and hundreds of teachers and volunteers during a beloved program that is the highlight of many students’ middle school years. In addition to sponsor benefits designed to deliver a real ROI, sponsors derive much value in the ability to activate their sponsorships.
