

BRUCE FOWLER
Fairfield & Woods, Managing Director

I have been a lawyer and an accountant for over 35 years, and have seen my share of successful, and not so successful, businesses. I have learned over the years that you cannot control all the variables, but there are many things you can control to put yourself in the best position possible to succeed. I believe I can offer a broad perspective on how to best organize a start-up business to give it the best chance to succeed. I have two children of my own (5 & 1 years old), and I love teaching them new things - particularly about financial matters.
