

THE EARLY INVESTOR CATCHES THE WORM

We've all heard the saying that Time = Money and Money = Time.
But how many of us truly know the impact of that statement?

Look at the following chart.

Age Saving Early

16.....	\$1,000
17.....	\$1,000
18.....	\$1,000
19.....	\$1,000
20.....	\$1,000
21.....	\$1,000
22.....	\$1,000
23.....	\$1,000
24.....	\$1,000
25.....	\$1,000
26.....	
27.....	
28.....	
29.....	
30.....	
31.....	
32.....	
33.....	
34.....	
35.....	
36.....	
37.....	
38.....	
39.....	
40.....	
41.....	
42.....	
43.....	
44.....	
45.....	
46.....	
47.....	
48.....	
49.....	
50.....	

TOTAL OF
\$10,000
INVESTED

Age Saving Later
