

Piggy Banks Scavenger Hunt

An At-home Hunt for Money Smarts!

Ages 4-10

Welcome to the 2020 Piggy Banks Scavenger Hunt! We're going virtual this year, so you can complete all of these activities from your home. If you're searching online, we recommend that you ask an adult to help you get started. When you're finished, bring this completed packet or your answers written/typed on a separate piece of paper to any Young Americans Bank location to claim a cash prize!

If you plan to open a new account, please reserve a meeting with a member of our team by calling us ahead of time: 303-321-2265.

1. **Visit our website at yacenter.org. What makes Young Americans Bank so unique and who is the founder?**
2. **How many locations does Young Americans Bank have and which one is closest to you?**
3. **Check out Young Americans Center's new Virtual Programs at yacenter.org/virtual-programs. Are there any that you might like to attend? If not, what financial topics would you like to learn about?**
4. **Check out our new, virtual tour of Young Americans Bank. Teller Matt explains what interest is. What is interest?**
5. **In the virtual tour, Diane asks a trivia question about banks. Who came up with the idea for the first bank in the United States of America?**
6. **You have 4 coins that equal 30 cents. What coins do you have?**

7. How much is this caterpillar worth?

8. Draw a picture of items or experiences that you want. Use the box below:

A large, empty rounded rectangular box with a green border, intended for drawing items or experiences that the student wants.

9. Draw a picture of items that you need. Use the box below:

A large, empty rounded rectangular box with a green border, intended for drawing items that the student needs.

10. Being a philanthropist means donating your time, talent or treasure to help your community. How could you share your time, talent, or treasure this summer?

11. Grocery Store Scavenger Hunt

a. Search online or visit your local grocery store and write down the pricing for the items below. Then, calculate the total cost of everything that's on the list. (Please do not purchase the item!)
