

Teacher Orientation and Teacher Refresher Information for 2022-2023 School Year

Teacher orientations are offered during the months of **August through March** to provide critical information about the mechanics of the Young AmeriTowne program and the classroom materials. Teacher refreshers are delivered through a video and are online. It is highly encouraged for all teachers to review new Young AmeriTowne materials and attend an orientation or refresher. It is especially important this year to attend an orientation as there have been changes to curriculum for the upcoming school year.

- The **four-hour orientation** is required for all teachers who have not previously taught the Young AmeriTowne curriculum. The orientation video may be viewed online for teachers unable to attend in-person.
- A short **refresher** is available via video for all returning Young AmeriTowne teachers. To access the video, please check the curriculum dropbox for instructions and information. Teachers with questions regarding the curriculum should contact the Young AmeriTowne directors by phone or email (located below).
- For your convenience, Teacher Orientations have been scheduled on weekdays and Saturdays. All Saturday orientations will be held remotely, live via zoom. Zoom link will be sent out 1 day prior to session. **Bring your whole team and use the day as a planning session!**
- All in-person sessions are conducted at Young Americans Center for Financial Education, 3550 East First Ave, Denver, CO. Young Americans is located on the southwest corner of First Avenue and Monroe, four blocks west of Colorado Boulevard. Please park in the parking garage attached to the building (entrance on Monroe).
- Beverages and snacks will be available for in-person teacher orientations. Feel free to bring your own snack if you would like.
- Plan to attend an orientation or watch the video **at least two months prior to your Towne date. Advance reservations for teacher orientations are required. To reserve your spot, contact Jeremy Ollie, jollie@yacenter.org**
- **Classroom materials** will be available for pickup at your orientation session if the **\$250** non-refundable deposit has been made. Please request materials when registering for an orientation.
- See below for Teacher Orientation dates and times.

Teacher Orientation Sessions

All sessions are scheduled from 8:30 a.m. to 12:30 p.m.

2022	2023
