### **Audit Partner, Crowe, LLP**

#### **Top Skills:**

- Accounting
- Business Admin
- Financial Management

#### **Career Experience:**

- Accounting
- Entrepreneur

#### ***Why do you want to be a mentor?***

My favorite part of my work is helping others grow and develop - accomplishing challenging activities. I believe that is what a mentor does for others, helps with strategies to help individuals perform at their highest potential. I want to see others succeed!

#### ***What Unique Skills or Expertise do you possess?***

My husband and I owned a motorcycle business for over 10 years. In my accounting/auditing career, I frequently work with banks and understand what can make a business successful. I have been a dance mom and a sports mom for 14 years; I understand the balance of good time management to allow for your passion/fun and work necessary to succeed in business.

#### ***What do you like to do for fun? Any special hobbies?***

I love being outdoors- organizing/designing and working with plants/flowers. I also enjoy spending time hiking/swimming with my kids and my dogs.
