Why do you want to be a mentor?

I have a passion for working with up-and-coming entrepreneurs in our community! Local businesses have a positive impact on our community and bring us together!

What unique skills or expertise do you possess that would be helpful to a young entrepreneur?

I bring unique skills in money management, operating your business, with a focus on planning. Through this, I have developed ways to not only budget, but improve the way you can make money.

What do you like to do for fun? Any special hobbies?

I enjoy bike riding, learning to play guitar, and cooking. Currently, in training for hiking through the Appalachian Trail
