Why do you want to be a Mentor?

I have mentored youth in sports and in organizations like Junior Achievement and find that supporting the leaders of tomorrow is the most fulfilling thing that I can do!

What unique skills or expertise do you possess that would be helpful to a young entrepreneur?

I have 30 years of experience working with small and large businesses and have seen everything that works and doesn't work. With a focus in marketing, sales, and management, I can help you find your target market, set goals, and run your business the best way possible!

What do you like to do for fun? Any special hobbies?

I love to be outside! Whether it is skiing, hiking, or jogging with my family and dogs, you'll usually find me outdoors!
