#### ***Why do you want to be a mentor?***

My friend and mentor Jim shared his wisdom with me, and I want to do the same with the next generation! I am semi-retired, so I have the time to work with a young entrepreneur!

#### ***What unique skills or expertise do you possess that would be helpful to a young entrepreneur?***

I am a serial entrepreneur with a history of success. I just sold my last company this past year, so I understand the importance of sales and financial management. I am also a small business owner and teacher as well.

#### ***What do you like to do for fun? Any special hobbies?***

I love to write, go hiking, workout, cook, and read!
